For awareness, early announcement of a SETAC meeting on PFAS being planned for the spring. Date and location TBD, Durham may be one of the possibilities. ORD has two folks on the planning team/breakout group co-chair list – Marc Mills from NRMRL and Gary Ankley from NHEERL.

Note Mike Dourson from TERA is also one of the breakout co-chairs, and Bob Buck from Chemours one of the 4 overall meeting chairs.
